Hi Brandon-

Did a final letter ever get sent to ACAT? If so, do you mind copying me on it?

Thanks,

Thanks for sending this Brandon. Attached are a few suggestions. I suspect that Steve may have a few more. I'm in the office this morning to discuss further.

Thanks,

Ann

Ann and Steve,

I tried to give you both a call but it sounds like you are out of the office. I wanted to run this draft response letter by the both of you. Dan Easton has a copy as well. Unfortunately we need to get this letter out today. I wanted to share with you anyway even though you may not have a chance to comment.
